

MASSEY FERGUSON

GC1700 Series

Sub-Compact Tractor | 22.5 – 25 HP

MASSEY FERGUSON

Think of the Massey Ferguson® GC1700 Series as the Swiss army knife of compacts, offering bigger tractor features in just the right size. With up to 25 gross engine horsepower and unmatched versatility, these easy-to-drive, multi-tasking workhorses can handle everything from mowing, loading and backhoe work to snowblowing and more. So if you're ready for a real tractor, check out the GC1700 Series. It'll give you all it's got — and then some.

THE GC1700 SERIES. FIVE REASONS TO BELIEVE IN US.

Whether you're a residential customer or a seasoned professional, everything about the Massey Ferguson GC1700 Series is designed to help you get the job done.

1. LARGEST ENGINE IN ITS CLASS

More cubic inches translate into higher reserve torque and more efficient use of horsepower. And our all cast iron construction delivers higher durability and longer engine life, compared to cast iron blocks with aluminum heads.

2. COMFORTABLY FAMILIAR OPERATOR'S STATION

Providing more than just great ergonomics, the operator's station on the GC1700 Series makes the transition from lawn tractor to small compact virtually seamless. All major controls and functional pedals are in familiar, intuitive locations that are easy to reach and operate. A large, completely flat foot deck offers easy entry and exit, as well as comfortable foot placement for a great driving experience.

3. PROFESSIONAL QUALITY MOWING DECKS

For residential or commercial use, our 10-gauge stamped steel, full-floating decks deliver a top-notch cut on every type of terrain. All spindle assemblies are made of cast iron for greater durability, compared to aluminum-cast spindles.

4. OUTSTANDING MATERIAL HANDLING

With dual-bucket cylinders and exceptional bucket rollback angles, Massey Ferguson Compact Series loaders deliver better performance than single-cylinder loaders. Efficient hydraulic pumps deliver higher output at lower RPM than most competitive models.

5. A BACKHOE TO MATCH

The GC1700 Series works seamlessly with the CB65 backhoe. And this full-size 6.5-ft. backhoe offers features our competitors don't. A fully integrated four-point sub-frame, large-diameter cylinders, industry-leading cycle times and our exclusive Boom Float Control, make this the most versatile, stable and easy-to-operate backhoe in its class.

Available from the factory in a tractor-loader-backhoe version to optimize your productivity right from the start.

MODELS	GC1705	GC1710	GC1715	GC1720
Engine HP (kW)	22.5 (16.8)	22.5 (16.8)	25.0 (18.6)	25.0 (18.6)
PTO HP (kW)	18.7 (13.9)	18.7 (13.9)	19.6 (14.8)	19.6 (14.8)
Engine Type	Iseki 1.1 Liter 3-cylinder liquid-cooled diesel, Tier 4 Final			
Transmission	2-range hydrostatic transmission with side-by-side foot pedals and cruise controls
